Private Functions

Afternoon Tea at Castle Goring

Afternoon Tea originated back in the 1800 around the time Castle Goring was commissioned. The idea originated when the 7th Duchess of Bedford requested to take a pot of tea & a light snack in her boudoir in the late afternoon. Later friends were invited to join her and it soon proved so popular that all fashionable society began to host them

Afternoon Tea at Castle Goring is served within our State Room or Castle Dining Room soaking in the luxurious surroundings. Our afternoon tea is a joy for every generation
