Evening Bar

Cash

The bar team set up a fully stocked bar with Bottled
Lager, Wines, Sparkling and Branded Spirits with
Mixers. We also stock Premium Spirits.

If you would like to see our bar price list then please
just ask.

Pre-Paid

This works when you want your guests to have a
“Free” bar. A pre-payment is taken prior to the day
i.e. £1000.00. The bar team will keep a tab of all
drinks and when the pre-paid amount is reached
then we will notify a designated person. You can
then put more money behind the bar or go over to
a cash bar where your guests start paying for their
drinks.

Pre-paid payments must be paid for prior to the
day; tabs cannot be offered or started on the
evening of an event.

Bespoke Drinks

We can offer an array of different drinks and bar
services to compliment your event... Cocktail
Hour, Champagne Bar, Pimms Bar and many
more... just ask!
